

Flood Control District of Maricopa County

PUBLIC NOTICE

August 28, 2008

The Flood Control District of Maricopa County (District) is soliciting Request for Qualifications from Civil Engineering/General and Civil Engineering/Water Resources firms for Contract FCD 2008C025, Sonoqui Wash Channelization, Phase II in the range of \$700,000 - \$1,200,000. The contract time is approximately 12 months.

The project includes channelization of existing wash (main branch) from Chandler Heights Road to Riggs Road along the existing alignment and the east branch from east of Hawes Road to Crismon Road along the south side of Riggs Road. The total length of the project is approximately 3.5 miles. The channel may be an earthen channel, 4:1 to 8:1 side slopes, with 50' bottom width. The project will include multi-use components such as equestrian and multi-use trails. There is an existing floodplain extending from Chandler Heights Road to Riggs Road, which includes 71 acres of land and 68 properties in the floodplain. Once the project is completed all of these properties will be out of the floodplain area. The total project is anticipated to cost between \$5 million to \$10 million. The project task will include pre-design study, hydrology/hydraulics, surveying, aerial mapping, geotechnical report, landscape concept design plans, drainage report, FEMA CLOMR and LOMR reports, public meeting(s), Project Aesthetic Advisory Committee (PAAC) meetings, utility conflict identification and potholing, rights-of-way identification, and construction plans, special provision and cost estimates.

The consultant agrees to provide services to accomplish the work under the direction of a Registered Engineer with the State of Arizona in the appropriate discipline.

From the Statement of Qualifications (SOQ) received, the Consultant Selection Panel will select for further consideration at least two (2) firms more than the number of anticipated contracts. If your firm is interested in being considered for this contract, please request the SOQ format instructions from District Support Services Branch by e-mail at cah@mail.maricopa.gov or telephone 602-506-8783 or 602-506-1501.

Statement of Qualifications in the prescribed format must be received no later than 2:00 PM, local time, on Thursday, September 18, 2008, and must be addressed to Melissa Bauer, Contracts Branch Manager, Flood Control District of Maricopa County, 2801 West Durango Street, Phoenix, Arizona 85009.

It is Maricopa County's policy to provide small businesses the opportunity to participate in the County's solicitation process and to be considered to fulfill the requirements for various commodities and services. Maricopa County's small business policy can be found on the Materials Management website at <http://www.maricopa.gov/materials/help/sbe.asp>
