# Buckeye FRS No.1 Rehabilitation Project

## – Data Collection

- Scenery
  - Landscape Character
  - Scenic Quality
  - Visual Sensitivity
- Recreation
  - Existing Recreation Resources
  - Planned Future Recreation Resources
- Environmental
  - Wildlife Habitat and Corridors
  - Cultural Resources

# Buckeye FRS No.1 Rehabilitation Project

## Existing Landscape Character

# Buckeye FRS No.1 Rehabilitation Project

## Scenic Quality

### Buckeye FRS 1 Rehabilitation Project

Prepared by  
Flood Control District of Maricopa County  
October 2007

### DISTURBANCE AREAS

#### LEGEND

- Minimally Impacted Areas
- Moderately Impacted Areas
- Severely Impacted Areas

#### Reference Features

- Highway
- Aerial Road
- Roadway
- Buckeye FRS#1
- Flood Control Property Boundaries

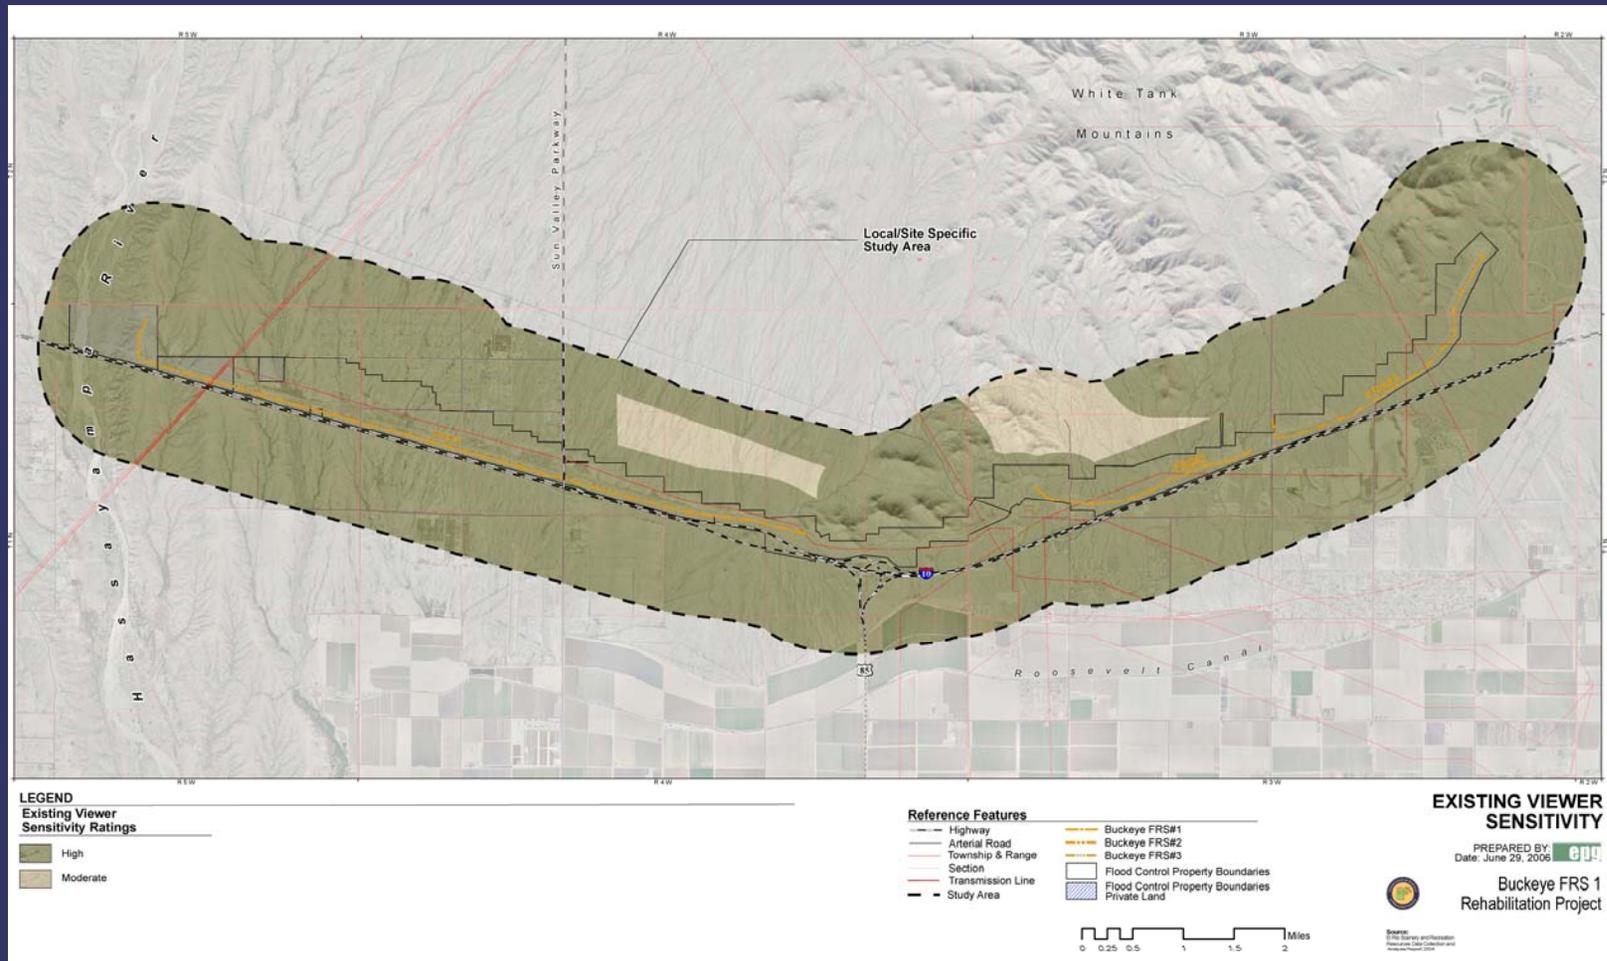

#### DATA SOURCES

Flood Control District of Maricopa County, 2007;  
Environmental Planning Group, 2007
