

PINNACLE PEAK WEST

AREA DRAINAGE MASTER STUDY

TELL US ABOUT FLOODING IN YOUR NEIGHBORHOOD

People in your area have experienced flooding during the past 10 years. Have you? We are currently studying your area and need your information to help better understand how flooding affects your neighborhood. Tell us about your flooding experiences and help us learn what flooding issues you think need to be addressed. It's as easy as 1-2-3!

- 1 Learn about the project and give us feedback:
www.floodtalk.org
- 2 Sign up to receive project updates via email:
www.bit.ly/FCDupdates
- 3 Upload photos/videos of flooding in Maricopa County:
www.reportaflood.org

Sign up for project updates to get notified of upcoming Pinnacle Peak West public meetings, which will begin in September. Questions? Contact Theresa Pinto at tmp@mail.maricopa.gov or 602-506-8127.
