Flood Control District of Maricopa County (FCDMC) Free Workshop on Drainage Design Management System for Windows

About Workshop:

FCDMC will hold four identical hands-on workshops for the latest version of DDMSW in the Public Works Operations Building Computer Training Room at 2919 W Durango St, Phoenix AZ 85009. These four identical hands-on workshops will cover the same material with the instructor's help to walk through the example projects. The major new feature in this version is the GIS capability without relying on ArcGIS.

When:

Session: 9:00 a.m. --- 4:00 p.m. Friday, May 15th, 2009
Session: 9:00 a.m. --- 4:00 p.m. Monday, May 18th, 2009
Session: 9:00 a.m. --- 4:00 p.m. Wednesday, May 20th, 2009
Session: 9:00 a.m. --- 4:00 p.m. Monday, May 26th, 2009

Where:

Maricopa County Public Works Operations Building Computer Training Room
2919 W Durango St, Phoenix Arizona 85009
(South side of MCDOT Traffic Operations Building; see map on the next page)

Instructor:

The workshop will be conducted by Mr. Kenneth Lewis, P.E., of KVL Consultants Inc. Mr. Lewis is the President of KVL Consultants, Inc., a firm specializing in Stormwater and Flood Control Master Planning and developing computer applications for GIS/System modeling integration. Before establishing his own firm in 1994, Mr. Lewis served as Director of GIS for Boyle Engineering Corporation in the US; Manager of Planning for Europe, the Middle East and Africa for Ingersoll Rand Company in London, UK; Manager, Malaysia for Sinclair Knight Consulting Engineers, in Kuala Lumpur, Malaysia and Project Engineer for Sinclair Knight Consulting Engineers in Sydney, Australia. Mr. Lewis is the programmer for DDMSW.

For Registration

The registration will follow the "First come, First serve" basis (one attendant per company). If seats are available, more than one attendant from each company may attend the workshop. Please contact Denis Liu at (602-506-5402, del@mail.maricopa.gov, Software System Engineer, Engineering Application Development and River Mechanics Branch, Engineering Division, FCDMC) no later than **May 13th, 2009 for the May 15th session, May 15th for the May 18th session, May 18th for the May 20th session, and May 22nd for the May 26th session.** Please register as soon as possible because this is hands-on training and the number of computers is very limited. You can bring your own laptop if you want.
