Stormwater Quality Report

All data through September 30, 1996

Appendix A

Water Quality Data

December 31, 1996

Property of
Flood Control District of MC Library
Please Return to
2801 W. Durango
Phoenix, AZ 85009

Flood Control District of Maricopa County
2801 West Durango Street
Phoenix, Arizona 85009
602-506-1501

Glossary

--	Not Analyzed
ATL	Analytical Technologies
COUNT	Number of times a pollutant was detected
FCD	Flood Control District of Maricopa County
FE	Full Sample Event - grab samples and composite samples taken throughout duration of storm event (see FF and S
FF	First Flush Sample (Tempe only) - samples taken during the first hour of flow
K###	Non ideal count (bacterial samples)
LUC	Land Use - Commercial
LUI	Land Use - Industrial
LUN	Land Use - Undeveloped
LUR	Land Use - Residential
NC (NOT CALCULATED)	In statistical summaries, those values that are undefined; occurs in cases when 0 or 1 data point is available
NM	Not Measured
NS	No samples taken during a water year
NWQL	National Water Quality Laboratory
SF	Second Flush Sample (Tempe only) - sample taken after the first hour of flow
UA	Data Unavailable
USGS	United States Geological Survey
WESTECH	Westech Laboratories
WY	Water Year, October 1 - September 30
