NOTICE INVITING PROPOSALS OR BIDS

NOTICE IS HEREBY GIVEN that the Council of the City of Scottsdale, Maricopa County, State of Arizona, ordered the construction of Hayden Road Flood Protection between Jackrabbit Road and McDonald Drive.

SEALED BIDS WILL BE RECEIVED until 9:30 a.m., November 1, 1974 by the City Clerk in the Scottsdale City Hall, 3939 Civic Center Plaza, Scottsdale, Arizona. At this time, the bids will be publicly opened and read aloud for furnishing all materials, equipment and labor and performing all the work necessary for the construction of the Flood Protection.

The City Council reserves the right, as the interest of the owner may required to reject any and all bids, to waive any informality in bids received, and to accept, increase or reduce the quantities of any or all items of any bid, unless the bidder qualifies such bid by specific limitation, and reserves the right to reject the bid of any person who has been delinquent or unfaithful to any contract with the City of Scottsdale.

Plans, specifications and proposal forms may be obtained from the office of the City Engineer, 3939 Civic Center Plaza, Scottsdale, Arizona for a sum of Ten (\$10) Dollars. This fee is nonrefundable.

Each bidder shall state his Arizona State Contractor's License Number and Classification as evidence that he is qualified to contract the work as indicated in the Specifications and Plans for the work to be performed.

Pursuant to the statutes of the State of Arizona, the wage rates paid all laborers, workmen and mechanics employed in the executing of the contract shall be in accordance with the rates of the latest "Arizona Prevailing Wage Scale" of the Industrial Commission of Arizona, applicable to the location at which the work is to be performed. Wage rates as determined above shall be considered as minimum rates only.

Each bid shall be made out on the proposal form which is attached to the specifications; shall be accompanied by a bid bond acceptable to the City of Scottsdale for penal sum of not less than ten percent (10%) of the amount of the bid made payable to the order of the City of Scottsdale, Arizona.

Bids shall be marked:

Bid of _____ Contractor
for the construction of Hayden Road Flood Protection between Jackrabbit Road and McDonald Drive.

Bids received after the time and date specified above will be returned unopened to the bidder. A bid may be withdrawn prior to the time set for opening of bids. No bid may be withdrawn for a period of thirty (30) days after the date set for receipt of bids.

INFORMATION FOR BIDDERS

GENERAL

Plans, specifications, and proposal forms may be obtained from the Office of the City Engineer, Scottsdale City Hall, 3939 Civic Center Plaza, Scottsdale, Arizona upon the payment of Ten (\$10) Dollars. There will be no refund for plans returned to the City Engineer's Office.

BONDS REQUIRED

- a) Each proposal shall be accompanied by a certified check, or bid bond acceptable to the City, in an amount equal to at least ten (10%) percent of the total amount of the proposal, payable without condition to the City as a guarantee that the bidder, if awarded the contract, will promptly execute such contract in accordance with the proposal and in manner and form required by the Contract Documents, and will furnish good and sufficient bond for the faithful performance of the same.
- b) Bonds in the following amounts will be required at the time of executing the formal contract:
 - (1) Performance Bond - One Hundred (100%) percent of the contract price.
 - (2) Payment Bond - One Hundred (100%) percent of the contract price.

EXECUTION OF CONTRACT

The Contractor shall execute the Contract with the City of Scottsdale within ten (10) days after receiving a notice that the Contract has been awarded.

START AND COMPLETION OF WORK

Work shall start within five (5) days after issuance of notice to proceed and shall be completed within forty-five (45) calendar days after such issuance.

MEASUREMENT AND PAYMENT

- a) Measurement and payment for all Pay Items in the "Proposal" shall be as indicated in the applicable standard specification and/or in the "Special Provisions."
- b) Measurement of the various items in the "Proposal" shall be of each item of completed work with no allowances for waste.
- c) Payment for various items in the "Proposal" will be made at the unit price bid in the "Proposal" and shall be compensation in full for furnishing all materials, labor, tools, equipment, and appurtenances necessary to complete the work in a satisfactory manner as shown on the plans and as specified, with connections, testing and related work completed. Each item, fixture, piece of equipment, etc., shall be completed with all necessary connections and appurtenances for the satisfactory use and operation of said item. No additional payment will be made for work related to any item unless specifically called for in the "Proposal".

PROJECT NO. SD-7548-C

- d) Final payment shall be made within forty (40) days after submittal of a final invoice and a Contractor's Affidavit regarding settlement of claims. The above Affidavit shall be submitted on forms provided by the City.

STANDARD DETAILS AND SPECIFICATIONS

Unless otherwise noted, construction of this Project shall be in accordance with all applicable Maricopa Assn. of Governments' Uniform Standard Specifications for Public Works Construction, latest revision, which may be obtained at the Office of the Maricopa Assn. of Governments, 1820 W. Washington, Phoenix, Az.

SUBMITTING BIDS

No bid will be considered unless it is made upon the "Proposal" forms contained in and submitted with this Project Specification. No book of specifications shall be disassembled.

INTERPRETATION OF QUOTED PRICES

In case of a difference in written words and figures in a Proposal, the amount stated in written words shall govern.

PLANS AND SPECIFICATIONS TO SUCCESSFUL BIDDER

The successful bidder may obtain five (5) sets of the Plans and Specifications for this project from the Office of the City Engineer at no cost. Additional sets will be furnished at cost.

CONTRACTORS COVERAGE

The contractor shall furnish satisfactory proof of carriage of insurance, and shall submit to the Engineer a Certificate of Insurance on forms furnished by the City. Neither the contractor nor any subcontractor shall commence work under this contract until the City has approved all insurance policies.

- a) Compensation Insurance: The Contractor shall secure and maintain during the life of the contract, Workmens Compensation Insurance for all of his employees at the site of the project, and in case of any of the work is sublet, the Contractor shall require each subcontractor similarly to provide Workmens Compensation Insurance for his employees unless such employees engaged are covered by the Contractor. In the event any class of employees engaged in the hazardous work under this contract at the site of the Project is not protected by Workmens Compensation Statute, the Contractor shall provide and similarly shall cause each subcontractor to provide special insurance for the protection of such employees not otherwise protected.

- b) Public Liability and Property Damage Insurance: The Contractor shall take out, and maintain during the life of this Contract, such public liability and property damage insurance, both general and automobile liability, as shall protect him, any subcontractor performing work under this contract and the City of Scottsdale from all claims for bodily injury, including accidental death, as well as for all claims for property damage arising from operations under this contract - whether such operations be by himself or by any subcontractor or by anyone directly or indirectly employed by either of them. The Contractor agrees to include the City of Scottsdale as a named insured in all of the insurance policies required under this contract, and shall furnish the City of Scottsdale with a certificate of said insurance. The minimum limits required are:

SPECIAL PROVISIONS

1. GENERAL

- a) In the event of any conflict between these Special Provisions and the requirements of the plans, detail drawings, or specifications, these Special Provisions shall prevail.
- b) In all cases where A.S.T.M., A.A.S.H.O., A.W.W.A., A.S.A., Federal, M.A.G., City of Phoenix, City of Scottsdale, Maricopa County, Salt River Project, or Arizona State Highway Specifications are referred to, the latest revisions shall prevail, unless otherwise noted.
- c) All construction practices and procedures shall conform to Section 107 of the Contract Works Hours and Safety Standards Act, (86 Stat. 96; 40 USC 327) the latest revisions shall prevail.

2. TRAFFIC CONTROL

- a) Complete street closures will not be permitted.
- b) Adequate barricades and lighted warning signs will be maintained by the Contractor throughout the project. All traffic shall be channelized around all construction in accordance with the City of Phoenix Traffic Control Manual.
- c) The City Engineer shall stipulate the traffic restrictions and/or minimum requirements throughout the construction period.
- d) The Contractor shall submit a construction schedule and traffic supplement for "Street Barricading and Channelization" to the City Engineer for approval and/or modification before initial construction.
- e) Payment for conforming to this item of work shall be considered as included in other items of work.

3. RESPONSIBILITY FOR DAMAGE CLAIMS

The Contractor shall indemnify and save harmless the City and its officers, agents, or representatives from all suits, actions, loss, damage, expense, costs, or claims of any character or any nature brought on account of any injuries or damages sustained by any person or property arising out of the work done in fulfillment of the construction of the improvement under the terms of this agreement or on account of any act or commission by the Contractor or his agents or from any claims or amounts arising or recovered under Workmens Compensation laws or any other law, by-law, ordinance, or order or decree.

4. INSPECTION

- a) Inspectors may be stationed on the work to report to the Engineer as to the progress of the work, the manner in which it is being performed, and also to report whenever it appears that material furnished and work performed by the Contractor fail to fulfill the requirements of the specifications and contract. The Inspector may direct the attention of the Contractor to such failure or infringement but such inspection shall not

relieve the Contractor from any obligation to furnish acceptable materials or to provide completed construction that is satisfactory in every particular.

- b) In case of any dispute arising between the Inspector and the Contractor as to material furnished or the manner of performing the work, the Inspector shall have the authority to reject materials or suspend the work until the question and issue can be referred to and decided by the Engineer. Inspectors are not authorized to revoke, alter, enlarge, relax, or release any requirements of these specifications, nor to issue instructions contrary to the plans and specifications. Inspectors shall in no case act as foreman or perform other duties for the Contractor or interfere with the management of the work by the Contractor.
- c) Inspection or supervision by the Engineer shall not be considered as direct control of the individual workman and his work. The direct control shall be solely the responsibility of the Contractor's foreman and superintendent.

5. HINDRANCES AND DELAYS

No charge shall be made by the Contractor for hindrances or delays from any cause during the progress of any portion of the work embraced in this contract; but such delays, if due to no fault or neglect of the Contractor, shall entitle the Contractor to an extension of time, allowed for the delay, the amount of the delay to be determined by the Engineer, provided the Contractor will give the Engineer immediate notice in writing of the cause of such delay.

6. LOSSES AND DAMAGES

All loss or damage arising out of the nature of the work to be done or from the action of the elements, or from any unforeseen circumstances, in the prosecution of the same, or from any unusual obstructions or difficulties which may be encountered in and/or during the prosecution of the work, or from any casualty whatsoever of every description, shall be sustained and borne by the Contractor at his own cost and expense.

7. PROTECTION OF FINISHED OR PARTIALLY FINISHED WORK

The Contractor shall properly guard and protect all finished or partially finished work, and shall be responsible for the same until the entire contract is completed and accepted by the Engineer. Estimate of partial payment on work so completed shall not release the Contractor from such responsibility but he shall turn over the entire work in full accordance with these specifications before final settlement shall be made.

8. CLEANUP

After all work under the contract is completed, the Contractor shall remove all loose concrete, lumber, wire, reinforcing, debris and other

materials not incorporated in the work from the site of the work. Cleanup shall include the removal of all excess pointing mortar materials within pipes.

9. FINAL ACCEPTANCE

"Final Acceptance" shall mean a written final acceptance of the work by the City Engineer. The Engineer shall make the final acceptance promptly after all work under the contract has been completed in accordance with the contract documents and after final inspection is made.

10. RIGHTS OF WAY

The Contractor, at his own expense, is responsible for the acquisition of any necessary easements for construction purposes which are required in addition to existing easements and/or rights-of-way.

11. INTERPRETATION OF GENERAL CONDITIONS

Wherever in the General Conditions that the City is referred to it shall be understood that the City referred to is the City of Scottsdale.

12. DUST PREVENTION

The Contractor shall take whatever steps, procedures or means required to prevent abnormal dust conditions due to his construction operations in connection with this contract. The dust control measures shall be maintained at all times during construction of the project, to the satisfaction of the Engineer, in accordance with the requirements of the "Maricopa County Health Department Air Pollution Control Regulations." This is not a pay item.

13. EXISTING ELECTRICAL FACILITIES TO BE RELOCATED

Existing Salt River Project and Mountain Bell facilities which must be relocated or rebuilt to allow the construction of this project shall be relocated by others at no cost to the Contractor.

14. UTILITIES

Provisions of M.A.G. Standard Specification No. 105.6 and 107.11 shall apply.

15. DAMAGED DOMESTIC WATER LINES

Any water lines damaged during construction shall be replaced at the Contractor's expense and per the requirements of the City of Scottsdale Water Division.

16. DAMAGED SEWER LINES

Any sanitary sewer lines damaged during construction shall be replaced by a contractor properly licensed to install sanitary sewers. All work shall be done as per Standard M.A.G. Specifications

17. EXISTING TRAFFIC AND STREET SIGNS AND TRAFFIC SIGNAL EQUIPMENT

The Contractor shall maintain existing traffic and street signs during construction. If signs conflict with proposed construction they will be relocated by the City of Scottsdale.

18. DOMESTIC WATER FACILITIES

The City of Scottsdale owns and operates the water system involved. The Contractor shall comply with all requirements of the Water Company regarding adjustments of existing facilities. It is the responsibility of the Contractor to notify the Water Department of any adjustments necessary.

19. EQUAL EMPLOYMENT OPPORTUNITY

During the performance of this contract the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, color, or national origin. Such action shall include, but not be limited to, the following: employment upgrading, demotion or transfer; recruitment, lay-off or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause; and will in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, creed, color or national origin.

20. PAYROLL RECORDS

- a. Payrolls and basic payroll records will be maintained during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records will contain the name and address of each such employee, his correct classification, rate of pay, daily and weekly number of hours worked, deductions made and actual wages paid.

PROJECT NO. SD-7548-C

- b. The Contractor and each subcontractor shall furnish the City, within seven days after the regular payment date of the weekly payroll period, a statement with respect to wages paid to each of the Contractor's employees. The copy shall be accompanied by a statement indicating that the payrolls are correct and complete. The definition of "employee" shall not apply to persons in classifications higher than that of laborers or mechanics and those who are the immediate supervisors of such employees.

It is further agreed that:

- (1) These policies shall not expire until all work has been completed and the project has been accepted by the City of Scottsdale. (If a policy does expire during the life of the Contract, a renewal Certificate of the required coverage must be sent to the City of Scottsdale not less than five days prior to expiration date.)

The Contractor hereby agrees to indemnify and save harmless the City of Scottsdale and any jurisdiction or agency issuing permits for any work included in the project, their officers, agents and representatives from all suits, actions, loss, damage, expense, cost, or claims of any character or any nature brought on account of any injuries or damage sustained by any person or property arising out of the work done in fulfillment of the construction of the improvement under the terms of this agreement, or on account of any act or omission by the Contractor or his agents, or from any claims or amounts arising or recovered under Workmen's Compensation laws or any other law, by-law, ordinance, or order or decree.

This certificate is not valid unless countersigned by an authorized representative of the Insurance Company.
