CONTRACT INDIGENT REPRESENTATION (PROBATE) ATTORNEY SERVICES - OCC

1.0 INTENT:

1.1 INTRODUCTION:

The intent of this Invitation for Solicitation is to establish a listing of the most qualified contractors to provide indigent representation attorney services for the Office of Contract Counsel (OCC). This solicitation effort shall encompass indigent representation specialty services for the following area of practice:

Probate Attorney Services – OCC (current serial number 10102 – ROQ)

This solicitation is intended to replace the current contract for the above noted area of practice. **Current contractors MUST reapply in order to continue providing services to Maricopa County.** All assignments made to awarded contractor(s) as a result of this solicitation shall be at the compensation schedule(s) found in this solicitation. Any assignment made by OCC for Probate assignments prior to the effective date of this contract shall be at the fees/compensation schedule(s) effective at the time of that assignment.

Multiple awards (listing of qualified vendors) will be made. Maricopa County reserves the right to add providers to this agreement at any time as required to ensure both adequate competition and fulfillment of OCC requirements. No guarantee is made regarding the frequency of any re-solicitation effort.

Contractors agree to fully comply with all terms and conditions of this solicitation for inclusion on the list of qualified Maricopa County vendors. The applicant shall be required to register as a vendor with Maricopa County upon notification of award and shall fully agree with the requirements of vendor registration. Additionally, fees and compensation for this contract are pre-determined and are not negotiable.

Submission of an application in response to this solicitation shall signify full understanding and agreement with the terms and conditions of the solicitation. No guarantee is made regarding the frequency of assignments or volume of work that any contractor may be offered.

At the option of OCC and the Office of Procurement Services, this solicitation may be determined to be “open and continuous”, **AFTER** the initial solicitation “opening date and subsequent contract award date”. In the event that OCC requirements demand additional providers, this solicitation may be converted to “open and continuous” as a re-solicitation effort. Full response information will be provided in the event that determination is made.

Applicants are advised that contract awards shall be made to individuals ONLY. No awards shall be made to firms or partnerships. Vendor registration, and/or any change necessary to comply with this requirement is the responsibility of the applicant.

1.2 GENERAL REQUIREMENTS:

1.2.1 Minimum Qualifications:

Applicant shall be a graduate of a fully accredited law school, shall be a member in good standing of the Arizona State Bar Association *and* shall be licensed by the Arizona State Bar Association for a minimum of 2 years *and* shall maintain the same for the duration of any contract award.

1.2.2 Applicant by submission of a response/application to this solicitation agrees to fully provide the services defined within at the pre-determined fee/compensation schedule. Fees/compensation as stated within this solicitation are firm and not negotiable.

Contract award does not guarantee any number of assignments or any other measure of “work”.

1.2.3 Definitive Scope of Work specific to each area of practice may be found in the section(s) following under the designation of that specialty.

1.2.4 Contractors are advised that OCC reserves the right to conduct periodic “performance reviews”. The results of these reviews may be used by OCC to determine if any cases and, if so, what type of cases may be assigned to the contractor.

2.0 GENERAL PROVISIONS:

2.1 DEFINITIONS:

As used throughout the Contract, these terms shall have the following meanings unless the context requires otherwise:

2.1.1 Board of Supervisors – Maricopa County Board of Supervisors.

2.1.2 Billable Time – time spent for the benefit of the Client which substantially advances the case toward conclusion. Billable time may include court time, legal research, interviews of the Client and witnesses, and other work required to effectively represent the Client. Billable time does not include, for example, the following:

2.1.2.1 non-substantive motions such as motions to continue, motions to withdraw or time spent reviewing a file prior to moving to withdraw;

2.1.2.2 support services or overhead items that are compensated through Contractor’s Contract Rate including such things as secretarial services, typing, leaving messages, transmitting documents by facsimile, mailing letters and photo copying; or

2.1.2.3 activity that does not substantially advance the Client’s case such as waiting for meetings, unanswered telephone calls, leaving a message, or setting up a meeting or conference.

2.1.3 Client – a person who receives services from Contractor pursuant to an assignment by OCC.

2.1.4 Contract – this document and all attachments hereto.

2.1.5 Contract Administrator – the agent designated to develop, administer and monitor the contracts for OCC.

2.1.6 Contractor – the person agreeing to provide services to Maricopa County and the client pursuant to this contract.

2.1.7 County – Maricopa County and is synonymous with OCC.

2.1.8 Extraordinary compensation – the calculation of additional compensation beyond that provided by contract. Extraordinary compensation must be negotiated between the Contract Administrator or the Director of OCC and the Contractor, in writing, based on the facts of the individual case and Contractor’s overall compensation under the entire contract.

2.1.9 Fiscal Year – the 12 consecutive months from July 1 to June 30, inclusive.

2.1.10 OCC – the Office of Contract Counsel and is synonymous with Maricopa County.

2.1.11 Parties or Party – OCC, the County and Contractor as the context requires.

- 2.1.12 Pre-Probate Representation – acting as Guardian *ad litem* to investigate the need to file a petition for guardianship or conservatorship on behalf of a person who may be incapacitated as defined by Title 14 of the Arizona Revised Statutes. Pre-probate representation includes the filing of such a petition when appropriate.
- 2.1.13 Reimbursable Expenses – expenses which are (1) reasonable and necessary; (2) for the legal representation of a Client; and (3) approved in advance by the Contract Administrator or Director of OCC. Reimbursable expenses do not include (1) items that are compensated through billable time; (2) secretarial expenses; (3) travel within Maricopa County; (4) expenses for stationery, postage, envelopes, transmission by facsimile, parking and supplies; or (5) other items that are an ordinary cost of doing business.
- 2.1.14 Representation – the services that Contractor provides to a Client in a specific legal matter.
- 2.1.15 Trial – participation in a court hearing at which jeopardy or preclusion attaches, witnesses are sworn and testimony is taken. A trial day is 5.0 or more hours of actual trial time; a half-day is less than 5.0 hours.

2.2 DEFAULT, SUSPENSION AND TERMINATION:

- 2.2.1 The Contract Administrator, or Director of OCC will notify the Office of Procurement Services of any suspensions, modifications or terminations to the Contract upon Contractor's failure to perform or upon the occurrence of an event that may cause or result in Contractor's failure to perform any requirement of the Contract. Failure of performance shall include failure by Contractor to fulfill the reporting requirements of the Contract. Additionally, Contractor's contract may be terminated due to economic events that may have an adverse effect on the Office of Contract Counsel' budget or a material change in circumstances including, but not limited to, reduction in the number of cases to be assigned at a given location of the Maricopa County Superior Court or any of its lower courts.
- 2.2.2 The County may terminate the Contract as follows:
 - 2.2.2.1 For Convenience of the County: Upon thirty (30) days written notice to Contractor.
 - 2.2.2.2 For Cause: Immediately upon written notice to Contractor. Contractor may terminate this contract upon 30 days written notice to the Contract Administrator. Contractor's termination of a contract(s) does not terminate Contractor's duty to continue representing those cases/persons assigned to Contractor prior to the effective date of termination. See section 2.4.4 below.
- 2.2.3 Contractor may terminate this contract upon 30 days written notice to the Contract Administrator or Director of OCC and the Office of Procurement Services. Contractor's termination of a contract(s) does not terminate Contractor's duty to continue representing those cases/persons assigned to Contractor prior to the effective date of termination. See section 2.4.4 below.

2.3 NON-EXCLUSIVE STATUS:

- 2.3.1 OCC may contract for the same or similar professional services through persons other than Contractor. This provision applies to OCC only and does not confer upon any Contractor permission to substitute performance in any way without the express written consent of OCC.

2.4 CONTRACTOR'S RESPONSIBILITIES:

- 2.4.1 Effective Representation. Contractor shall effectively represent the Client including, but not limited to:
- 2.4.1.1 contacting and conferring with the Client concerning the representation within a maximum of 48 hours of Contractor's notice of appointment;
 - 2.4.1.2 maintaining reasonable contact with the Client until the representation is terminated;
 - 2.4.1.3 using reasonable diligence in notifying the Client of necessary court appearances including any court action that arises out of the Client's non-appearance;
 - 2.4.1.4 conducting such interviews and investigation as are appropriate;
 - 2.4.1.5 appearing in court on time at whatever time the Court designates.
- 2.4.2 Accept Assignments. Contractor shall accept all assignments made by the Contract Administrator or Director of OCC unless Contractor is not ethically permitted to accept the representation pursuant to Rules of Professional Conduct.
- 2.4.3 Replacement Representation. In the event Contractor becomes unable to complete an assignment and is allowed to withdraw, Contractor immediately shall report the circumstances to OCC so that OCC may appoint replacement counsel. OCC may require Contractor to account for the time Contractor has actually expended and to return the payment for the representation where appropriate.
- 2.4.4 Continuing Representation. Contractor has a continuing duty to represent the Client until the court has terminated the representation. Termination of the contract by either party does not terminate the Contractor's duty to provide services in those cases assigned prior to the effective date of the termination.
- 2.4.5 Removal for Failure of Performance.
