

# Rio Verde Small Area Transportation Study

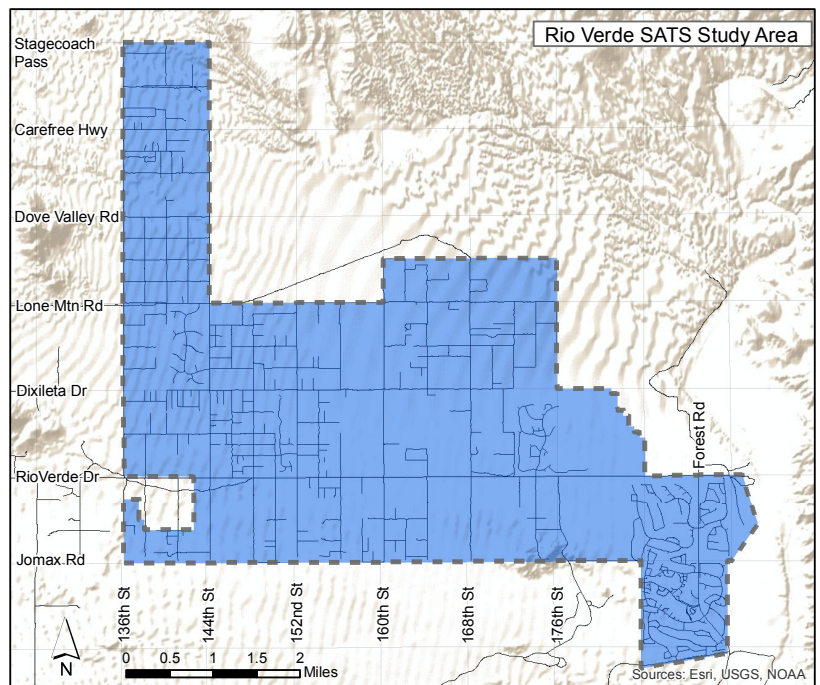

**Who:** Maricopa County Department of Transportation (MCDOT)

**Study Area:**

The study area lies between 136th Street on the west to just beyond Forest Road on the east, McDowell Mountain Road on the south, and Stagecoach Pass to the north.

**Purpose and Need:**

With continued development and growth, the need for a connected roadway system in the Rio Verde area has increased. In order to meet the needs of roadway travelers MCDOT is conducting a Small Area Transportation Study. The study will look at the roadway network and examine current and future traffic patterns and volumes and provide recommendations for connectivity and capacity needs. The goal of the study is to ensure a well-functioning transportation network which meets the needs of current and future residents.
